

Weekly Newsletter – 14th February 2025

A message from Mrs Farren...

Important date reminder!

Immediately after school (3.15pm) on Friday 28th February, we are holding a digital intelligence session for parents in school. Please do attend if you can as this is crucial in helping to keep your children safe online. Your child/ren will be able to stay with a staff member in a different room and watch a film. The session will take around 1 hour.

We would like to say a huge well done and thank you to the year 6 who showed community members round on our community open day on Thursday - they were amazing and we are so proud of them all.

We hope you all have a wonderful half term with your wonderful children. Please do let us know what you've been up to! We love seeing photos and hearing about how you are being creative, engaging with friends and family and appreciating the world around you. Spring is on its way!

Have a great half term!

Mrs Farren and Team Norton

Class News – 14th February 2025

In **Little Leaners**, we have been talking about emotions and made glitter bottles. These were more than just fun to make! The swirling glitter represents our thoughts and emotions during challenging times. So shake it up, let the glitter settle, and watch your thoughts do the same.

Following a child's interests, we have been exploring items that float or sink and then afterwards enjoyed water play.

We have also completed valentine themed crafts, such as making cards, playdough and mark making.

What a brilliant last week in

Reception class. We have been incredibly busy finishing our instruction writing and the progress the children have made in their writing is amazing! On Thursday we had our parents stay and craft session, which was lovely to

see all the adults getting involved with the crafts and enjoying spending time with their children. The children made some very cute love bugs, a beautiful candle holder and decorated cakes that we made on Wednesday.

This week in P.E we have been looking into handling the ball using different sizes and spacing. The children have worked so hard especially with teamwork and what makes a good team.

Well done **Year 1**!

In **Year 2** this week we have learnt about the jobs people did in a castle and the skills involved. We have written teaspoon prayers (TSP-Thanks, Sorry, Please) in RE. In English we have written the resolution and ending of our Little Red Riding Hood story. In Maths we have made amounts of money in different ways.

Y2 orienteering trip is now on parentpay.

This week in **Year 3** we have had lots of opportunities to practise our explanation writing - we wrote a volcan explanation, an explanation on soil in Science and on team H-A-P for our PSHE. We composed our own melodies to accompany our song in Music. In maths we also started fractions this week!

In **Year 4** this week we have written our recounts based on Tony's Day in 'Taking Flight'. This has inspired us to write our own recounts based on an adventure we would like to go on. Our adventures included going to space, visiting the jungle and flying! In maths, we have found missing lengths on 2D shapes using our number bond knowledge. In PSHE, we have finished the 'Meet your Brain' section in myHappymind.

Y4 Museum trip is now on parentpay.

This week **Year 5** have been writing poems linked to our World War II topic. They are displayed outside our classroom, please come and see them!

Y5 Museum trip is now on parentpay.
PGL 2026 deposit is now on parentpay

This term in RE, **Year 6** have been looking at Hinduism and have learnt a new word: *samsara*. I wonder if they can tell you what it means?

Here is a hint: good karma and bad karma!

Deadline for PGL payment is 5th April

Head teacher's worship challenge!

The winners are a joint design by:

Marcus Lee

Mabel Jones

Hazel Smale

The design

The digital version we've created from it

Well done to all who entered, we had more entries than ever this term! All entries will be in the whole school worship book if you wanted to see them.

Why don't you start planning next term's logo: **forgiveness**

Story Scene Competition

Thursday 6th March

At home, use your imagination to create a story scene from a book of your choice. These will be displayed in our World Book Day assembly.

Prizes will be given to the most impressive ones.

Less screen time and sporting celebrations!

Edward (Year 5) and Grace, Owen and Austin (Year 6) all ran at the Gloucester Schools cross country race last Friday, they all came in the top twelve! They had to be in the top twelve to qualify.

Representing Gloucester, they will race next on Sunday 8th March at Ashley Manor Prep School.

Spending too much time on screens (such as phones, gaming devices and I pads) limits our interactions with our friends and family. It limits our creativity; it limits our movement. We are designed to be active and we are designed to communicate with others. We are designed to solve problems and not to have everything immediately at the push of a button.

This week we want to celebrate Seren, she has been litter picking and walking the dogs for less screen time!

Author visit!

We're excited to announce that B. Ware will be visiting on Tuesday 11th March with...

WARNING: May Contain Dragons! – her second children's book (suitable for all ages).

The book itself isn't due to be published until 25th March, but if parents wish to, they can pre-order a copy via linktr.ee/bwareauthor and their child can collect a free signed bookplate from B. Ware on the day (it's currently on offer on Amazon for £8.15)

B. Ware will also be taking pre-orders for signed copies at the retail price of £8.99 (via cash or card payments) at the end of the school day. Simply send your child in with cash in an envelope on the day (change will be available), or pop by the stall in the playground at home time. (All signed copies purchased on the day will be signed by B. Ware and then left at the school to be distributed to pupils on publication day - 25th March.)

Half term challenges

Let's keep up the less screen time during half term... can you swap TV programmes, scrolling through phones and ipads or playing video games for one of these challenges instead?

Don't forget to send us photos - we love to see what you've been up to!

"Pass the Story"

- One person starts with a single sentence, The next person adds a sentence, and so on..
- Keep going until the story takes a hilarious turn!
- Bonus: Write down the story and act it out at the end!

"Treasure Hunt Code Breaker"

- Hide a small prize and create a treasure hunt with maths clues.
- ♦ One example on how to do this: "The treasure is hidden where $5+3= ?$ "
(Answer: 8, so it's in the 8th kitchen cupboard!)

Tip: use simple addition for younger kids or multiplication/division for older ones!

"Dice Fitness Fun"

- Write six different exercises (e.g., jumping jacks, squats, high knees) and number them 1-6.
- Roll a die to see which exercise to do, then roll again for the number of reps (e.g., 5 squats).
Keep going for 10-15 minutes!

"World Food Adventure"

- Pick a country at random (use a globe or map).
- Research a fun fact about it and try making a simple dish from that country together!
- Example: Italy = make homemade pizza; Japan = try rolling sushi!

"Junk Model Challenge"

- Gather recycling materials (cereal boxes, toilet rolls, yogurt pots) and challenge the family to create a cool structure—maybe a castle, spaceship, or bridge!
- Add a time limit (e.g., 30 minutes) for extra fun.

"Gratitude Jar"

- Find a jar or box and decorate it together.
- Each day of half-term, every family member writes or draws one thing they are thankful for on a small piece of paper and adds it to the jar.
- At the end of the week, open the jar and read them out as a family.

Important information:

Parentpay debts

Check your **ParentPay** account and settle any outstanding payments.

Booking before and after school club

Remember to complete and return your B&A booking form (term 4)

We're at risk of cancelling all trips...

Although trips are an educational activity and therefore a voluntary contribution is all we ask for - due to such a high number of payments not being given for these we are in considerable deficit in trip funding as a whole school. This puts us at risk of cancelling future trips if we don't collect sufficient contributions moving forward. Please consider paying for class trips if you're able to.

Thank you

Uniform ordering

School trends have a new link to make it easy to order uniform for our school:

<https://www.schooltrends.co.uk/uniform/NortonCEPrimarySchoolGL29LJ>

We also have 15% off till 24th February!

MIGHTY MOVERS

Play.Connect.Thrive

MOVE-MORE.ORG/MIGHTY-MOVERS

Move More's Mighty Movers programme is for children aged 2-4 years and forms a key part of our work to instil a love of physical activity within all children, so they develop a positive, lifelong attitude to moving more!

Through bringing our Mighty Mover characters to life our expertly designed sessions will support children's physical development across 4 key fundamentals – agility, balance, coordination and speed!

MEET OUR MIGHTY MOVERS!

- A** **NIMBLE** will help develop your child's **agility**, through teaching them to stop, change direction and get moving again.
- B** **TULA** will teach your child to channel their inner flamingo and control different body positions (**balance**) whilst performing a task.
- C** **SYNCRO** will develop your child's ability to control different body parts at the same time (**coordination**) as well as learning actions such as throwing, catching and climbing.
- S** **SWIFT** has super **speed** and will help develop your child's ability to move quickly through movement tasks such as running, jumping and skipping.

Join Mighty Movers and your child will experience a wide range of fun and engaging activities and games alongside children of similar ages. All sessions are led by our team of expert coaches, who are DBS checked and first aid qualified. For more info or to book on visit
