Our vision is for all our children to shine like STARS

"Those who are wise will shine like the sky and those who lead others to goodness will shine like the stars forever" *Daniel 12:3*

STRIVE - THINK - ACT - RESPECT

Weekly Newsletter – 6th February 2026

A message from Mrs Farren...

As part of our annual monitoring cycle, the leadership team have been spending time in classrooms carrying out lesson observations, and we have been immensely proud of what we have seen.

Teaching across the school is consistently strong, with well-planned lessons that engage, challenge and support all pupils. Just as importantly, the positive relationships between staff and children are evident in every classroom; pupils feel safe, valued and confident to participate and in classroom discussion.

This high-quality teaching, rooted in care and high expectations, is having a clear and positive impact on our children, who are making strong progress academically and growing in confidence, independence and enthusiasm for learning.

I feel incredibly fortunate to work with such a dedicated staff team and such wonderful children.

This week, we welcome Finlay Roberts, a skilled sports coach, to our After-School Club team.

Have a wonderful weekend
Mrs Farren and Team Norton

Class News – 6th February 2026

This week, **Little Learners** have enjoyed caring for our Pets using the vet set and pet carriers. We have also embraced the great British weather as we got our puddle suits and welly boots on, ready to splash in the puddles! Rolling snack is proving very popular with the children, and they are enjoying having the responsibility to make their own choices at snack time. We have also been busy exploring rhyming words. The children have particularly enjoyed sharing the rhyming stories of "Chocolate Mousse for Greedy Goose" and "Oi Frog".

Reception class have really enjoyed starting to learn about the Lunar New Year, which is celebrated across the world. We watched a short video on BBC called 'My First Festivals' and had fun creating Chinese dragons using our hand prints. We also learnt a lot about the 12 animals from the story 'The Great Race' and this year is the year of the horse. What year were you and your children born? I was born in the year of the Ox!

The **Year 1** children had great fun in Art this week. They used paint to create artwork like Piet Mondrian's. They worked hard to replicate his artwork by painting squares and rectangles and then filling them with the correct colours.

In **Year 2** this week we have been using similes in our writing to describe a setting. In computing we have been taking photographs in landscape and portrait and talking about when to use these formats. In My Happy Mind we have discussed ways we can keep healthy.

This week in **Year 3**, we made our very own cucumber sushi. The children thoroughly enjoyed the activity and had great fun practising their chopstick and presentation skills. We also carried out a science experiment to discover which type of soil absorbs the most water. After testing sand, clay, chalk and loam, we found that clay absorbed the most water!

In **Year 4** this week we have planned and started writing our persuasive letters for deforestation. We have researched the impact deforestation has on different animals of the rainforest. In science we have grouped different plants into flowering and non flowering.

This week, **Year 5** have been working with numbers up to three decimal places. We have looked at the relationship between tenths, hundredths and thousandths; compared and ordered numbers (in both ascending and descending order); and looked at their equivalent fraction.

This week, in **Year 6**, we have been doing some practise SATs papers. Everyone is doing a great job! We have also been flexing our logical reasoning skills with some puzzles called a "Nonogram" which involves creating a picture from coloured blocks which you need to colour in a logical order. We also looked at the $\frac{4}{4}$ and $\frac{3}{4}$ time signatures in music.

Important Information Pages

Hi everyone!

Just a quick reminder to keep an eye on our Important Information Pages. These pages include everything you need to know about what's happening in school — from deadlines and updates to details about companies we work with, like School Trends, catering and music lessons.

Things can change week to week, so it's worth checking back regularly to stay up to date. Thanks for keeping in the loop!

What's Happening

Gardening Club is Back!

We are pleased to announce the return of Gardening Club, open to pupils in Years 1–6.

The club will run every Thursday from 3:15–4:15pm, starting Thursday 26th February (the first week back after half term) and finishing on Thursday 26th March (the final week before the Easter holidays).

Please note:

- Spaces are limited to 10 children.
- To give as many pupils as possible the opportunity to participate, children who already attend another Thursday club are asked to not switch clubs for this half term.

As this club is running for a short half term only, no booking forms will be issued. **If your child would like to join, please sign up in person at the school office.**

We look forward to another exciting half term of gardening!

INFANT NEWS

Mums/grandmothers of Reception,
Year 1 and Year 2 children, you're
invited to our...

MOTHERS DAY CRAFT MORNING

Thursday 12th March 9:30-10:30

Please let the class teacher know if you'd
like to attend so we know numbers.

STRIVE - THINK - ACT - RESPECT

LUNCHES

Next week's fun menu choice - Thursday 12th February

If you'd like to see all the fun menu changes for the year look back through last week's newsletter!

School Meals Payment Reminder

Please note that all school lunches are paid for via ParentPay and must be settled through the app or at a PayPoint. We are unable to accept cash for lunches.

We are currently seeing a significant number of accounts with outstanding dinner balances. Parents and carers are expected to ensure their ParentPay accounts remain in credit at all times. If you are experiencing difficulties accessing ParentPay or locating a PayPoint, please contact the school office without delay.

For information regarding preschool dinner payments please see preschool class dojo page.

Are you having a spring Clean?
We'd Love Your Help!

If you're having a spring clean, we'd be so grateful if you could consider donating any unwanted items to our school.

We are currently working with a very tight budget and would love support in sourcing items for our classrooms and breakout spaces.

If you're able to help, we are looking for the following items:

- * Wooden callax style unit (four compartments or more - see picture -->)
- * cushions
- * Bean bags
- * Lights/fairy lights
- * Sensory toys
- * Tough tray
- * Games and puzzles (suitable for ages 2-4)
- * Playground/outside toys (giant chess/giant jenga/giant O's&X's etc...)
- * A bubble machine
- * A basketball hoop suitable for preschool age

SCHOOL ATTENDANCE; FOOD FOR THOUGHT

A pupil whose attendance rate is about 90% means that he/she is absent for the equivalent of one half day every week.

Monday		Tuesday		Wednesday		Thursday		Friday	
AM	PM	AM	PM	AM	PM	AM	PM	AM	PM

In the whole year this means that he/she is absent for 4 whole weeks.

Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug
------	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----	-----

If through years Reception to year 4 the attendance continues at 90% he/she will miss the equivalent of about one half of a school year.

	Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul
Year R											
Year 1											
Year 2											
Year 3											
Year 4											

Do you think a 90% attendance rate will affect this pupil's chance of doing well in school?

Please see below the booking form for term 4 (and on the next page for term 5 and 6 if you're being super organized!)

Due to the high number of children using this service we need to ensure we have the correct number of staff to cover it, so all children attending this club **must** have a form filled out.

NO FORM = NO CLUB!

We accept this form by handing in a physical copy or emailing it to admin@norton.gloucs.sch.uk

Many thanks.

It's Disco time again! Details on the poster. Tickets are available by sending money into the office in a named envelope. Please note that tickets this year will be raffle tickets to save on costs.

Thanks for your support as always.

CORNER

Check out Ioan and William's photo and match report from Saturday's football game- Longford v Whittington Park. A very hard game with a draw 2-2 result .

The coaches gave Ioan the player of the match and Will the player of the moment award- the match report explains why they received the awards

★ POTM - Ioan ★

Wow Ioan, what a game you had in goal today. You made countless saves, were brave when diving at the feet of attackers and your distribution and passing from kicks out of hand today was awesome. You kept us in the game when we were under pressure and pulled off save of the season for us, tipping one shot onto the bar before clearing. You added a couple of penalty saves in the shootout to complete a great performance, well done!

We had to have player of the moment again too this weekend, once again all about the aforementioned third team motto, 'we play together'. Our player of the moment this week was...

★ Will ★

We're looking to install a culture of gratitude in our team and we do this through the "point to the passer" moments. Today, Will stepped up and delivered two awesome assists for his teammates. He got his head up and looked for teammates in good positions and then executed great passes. We therefore point to you Will this week and thank you for your awesome teamwork!

Wow boys we are so proud of you - what incredible team players you are!

CORNER

Dylan has been making lots of circuits and experiments with electricity since he got a kit for Christmas. He built a motorised fan, designing and testing different blades and stands including using Lego. Here he is with his latest invention; a working traffic light! Dylan researched the pattern and sequencing of a real traffic light for accuracy. I wonder what he will come up with next?

Wow Dylan what a super present to get for Christmas - we love how screen-free and fun this is to do and we can't wait to hear about your next experiment!

STRIVE - THINK - ACT - RESPECT

OF THE WEEK

Let's fill in some of those hearts from last week's challenge by getting outdoors...
Can you complete the scavenger hunt below? If you're unable to print at home then why not draw your own? Who's going to find everything first... Tick off and/or colour them in as you go...

OUTDOOR SCAVENGER HUNT!

- ☐ Butterfly 
- ☐ Ant 
- ☐ Squirrel 
- ☐ Bird 
- ☐ Leaf 
- ☐ Worm 
- ☐ Rock 
- ☐ Flower 
- ☐ Twig 
- ☐ Cloud 
- ☐ Ladybird 
- ☐ Feather 
- ☐ Snail 
- ☐ Pine cone 
- ☐ Animal / insect tracks 

Can you find something...

- ☐ Prickly
- ☐ Round
- ☐ Man-made
- ☐ Wet

☐ Spider web

Healthy plate of the week!

Do you enjoy healthy meals at home? Take a look at what's on your plate—are you getting the right balance of foods and the right portion of each? Eating a variety of fruits and vegetables, grains, protein foods, and dairy or alternatives helps keep us healthy and strong. Why not try our fun cut-and-stick activity together to discover what a balanced plate should look like and learn how much of each food group we need?

Cut out the food to sort and put on your plate.

Answers on next page...

Answers below:

Healthy Eating Meal - Pictures - Answers

Fruits and Vegetables	Potatoes, bread, rice, pasta, and other starchy carbohydrates	Oils and spreads	Dairy and alternatives	Beans, pulses, fish, eggs, meat and other proteins	High in fat, salt and sugar
					

Could you create your dinner tonight using the results of this activity?

**Five Rivers
Fostering**

**We are looking for Foster Carers
in Gloucestershire & surrounding areas**

If you are interested in a life-changing vocation and can provide a safe, loving home to a child in care, we'd love to hear from you.

0333 0603 962 | five-rivers.org/fostering

Join a local Social Enterprise and a community of foster carers providing long and short-term care for children. Round the clock support and specialist training. Potential to combine with full or part-time work. Highly competitive fostering allowance of up to £28,000 a year, tax-free

Foster with us
Foster carers turn children's lives around
