

Weekly Newsletter – 28th March 2025

A message from Mrs Farren...

As you know, Our School Vision is for all of our children to shine like stars

But:

What does it mean to shine?

How does our vision help shape our behaviours?

Our school houses spell out the word STAR

Strive – we try our best.

Think – we think about our choices.

Act – we show our values in our actions

Respect – we respect ourselves, each other and the world around us.

These words guide us through life's challenges and help shape our behaviours.

If your child has done something to make you proud, why not refer to our STAR values?

For example, 'when you **STRIVE** you can overcome that challenge'; 'Well done for really **THINKING** about that; 'when you **ACTED** like that it made me very proud; 'You really showed **RESPECT** when you did that.'

Also, when they need a little guidance, you could use our star values to help

Have a wonderful weekend and Mother's Day.

Mrs Farren and Team Norton

Class News – 28th March 2025

This week **Little Leaners** have been preparing for Mother's Day by making cards.

The children expressed their creativity by decorating their cards in unique ways. We had a lovely craft morning, where we welcomed many parents, to participate in some spring themed activities. We have also continued to explore rhyming words, through songs, stories and games.

WOW! What a creative week we have had in **Reception** class! We have made Easter gardens in RE using compost, grass seed, moss, pebbles, flowers and caves made out of clay. Then on Thursday we had our Mothers Day crafts session in the hall, what a lovely and busy afternoon. They made beautiful handprint flowers, sun and rainbows, as well well planting a plant with Mrs Lewis. We finished off with cakes! Thank you to all who made it a great success.

Year 1 had such a special time yesterday afternoon celebrating everyone at the mothers day tea party. The children really enjoyed all the crafts and flowers and hope we you had as much fun as they did!

Y1 trip is now on parentpay.

In **Year 2** we have enjoyed writing some more of our 'Owl who was Afraid of the Dark' story. In Maths, we have learnt to use a ruler to measure in cm. The highlight of our week was our Mother's Day Celebration afternoon where we enjoyed doing crafts and potting a plant.

This week in **Year 3**, we have been practising for our showcase in a couple of weeks. We have perfected our shadow puppets and conducted an experiment on the length of shadows. The children are currently working on a report about Japan in Geography. In Maths we have been learning how to find fractions of amounts.

Y3/4 Ashmolean trip letter going home today, and payment is on parentpay.

In **Year 4** this week we have finished our cardboard sculptures and they are ready to be painted next week. In maths, we have started learning about decimals and using place value charts for tenths. In geography, we learnt about the different land uses in the Amazon rainforest.

Y3/4 Ashmolean trip letter going home today, and payment is on parentpay.

This week **Year 5** have been learning how to share their opinions of fruit in French! They also have been beginning to generate fashion sketches and designs ready for our make do and mend day in a few weeks!

This week **Year 6** have looked at long division. We first discussed how important it is to find the correct multiples of the divisor. We then used these multiples to work methodically through the process.

Deadline for PGL payment is 5th April

Important information for Reception to Y6:

Reception

A letter regarding national height, weight measurement and vision was uploaded on the Class Dojo page back in February. This is taking place in school on Tuesday 6th May. You will have to complete an opt out form (link below) if you do not wish your child to be included. Alternatively please phone 0300 421 8225 within 2 weeks leaving a message clearly stating your child's name, date of birth, address and the school they currently attend and whether you would like to opt your child out of NCMP or Vision screen. If your child is already under professional care for their vision, it is important that you make the team aware.

<https://www.ghc.nhs.uk/self-refer/school-nursing-screening-form/>

Year 6

A letter regarding national height and weight measurement was uploaded on the Class Dojo page back in February. This is taking place in school on Tuesday 6th May. You will have to complete an opt out form (link below) if you do not wish your child to be included. Alternatively please phone 0300 421 8225 within 2 weeks leaving a message clearly stating your child's name, date of birth, address and the school they currently attend.

Head teacher's worship challenge!

New Term = New challenge!!!

Y5 have sent in loads of entries this week... can any other year groups beat their numbers?!

We would love you to create a new logo for our Christian value this term:

FORGIVENESS

ANYONE CAN ENTER! Parents/Carers/Brothers/Sisters/Aunts/
Uncles/Teachers.... ETC...

Entry deadline is Wednesday 9th April

Please hand any entries in to the school office.

Templates are available under the office window in the junior corridor if you would like to use them!

Less Screen Time Celebrations!

Did you know that children in the UK spend an average of 3 to 4 hours a day on screens, including TVs, tablets, and phones? Research shows that 5-7-year-olds spend around 3 hours a day on screens, while 8-12-year-olds average 4 hours. Too much screen time can affect sleep, physical activity, and social skills. While technology is useful for learning and fun, experts encourage parents to set limits and balance screen time with outdoor play, reading, and family activities. Let's work together to reduce screen time and encourage healthier habits!

This week we want to celebrate:

Wow! Poppy has been very busy creating a lot of colourful bracelets using loom bands... what a great way to spend your less screen time!

Lillie went for a walk to see Powis castle. She explored the park and found a large tree that was cut down and got very close to some deer! On Sunday she went to support the welshpool 10k run, spending 50 minutes clapping and cheering on all the runners - what a supportive star you are Lillie!

Seren has been busy creating an elmer mask!

Grace has been busy making cakes and Tommy has been busy planting bulbs!

CHALLENGE OF THE WEEK!

"Mother's Day Acrostic Poem"

Can you create an acrostic poem using the word **MOTHER**.

Each line should describe something special about their mum or mother figure.

Example:

My mum gives the best hugs.
Over and over, she makes me smile.
Tasty treats she bakes with love.
Her kindness brightens my day.
Every moment with her is special.
Really, she's the best!

For extra fun, can you decorate your poem and give it as a gift!

Maths challenge of the week!

Mum wants a Mother's Day treat, but she only has £10 to spend. Below are the prices of some items:

A box of chocolates: £3.50

A bunch of flowers: £4.20

A handmade card: £1.80

A candle: £2.30

A cupcake: £2.00

Challenge: Can you help Mum choose items that add up to exactly £10? What different combinations can you find?

Bonus: Create your own Mother's Day shopping list and set a new budget!

Important information:

Parentpay debts

Check your **ParentPay** account and settle any outstanding payments.

Hot dinner price increase

Caterlink are increasing the price of hot dinners from 1st April 2025 to £2.85.

Booking before and after school club

Remember to complete and return your B&A booking form (term 4)

Due to the very high number of children using these clubs now, we need to ensure staff:child ratios are correct. You **MUST** fill out a form if you want to use before or after school club. Thank you.

Thank you for your support with trips!

Due to recent payments we have been able to go ahead with one trip already and have confirmed another for later on this term.

Thank you for your continued support.

Uniform

School trends have a March promotion for parents offering £5 off each fleece, the promotion code is FIVEOFF to be inputted at checkout.

Please **name** all uniform. Any unnamed uniform in lost property at the end of term will be disposed of. Lost property is located in the junior corridor - please check here if you have lost anything!

Hop on over for our

1145 AND 1400

NO BOOKING NECESSARY

Meteor Business Park, Cheltenham Road East,
Gloucester GL2 9QL. Tel 01452 260078
www.jetagemuseum.org

Every year Jet Age Museum commemorates the anniversary of the birth of the Jet Age celebrating the genius of Sir Frank Whittle whose pioneering work on the jet engine led to the first flight of the Gloster E28/39 aircraft which left the ground at Brockworth, near Gloucester, during taxi trials in April 1941 - and the world of air travel we know today. This year all are welcome to visit the Museum to see the film: Whittle - The Jet Pioneer and to meet our Patron, Ian Whittle, a retired RAF and commercial airline pilot and son of Sir Frank Whittle.

Early Start Groups

Early Years Service Invite Only

These are targeted stay and play sessions for children with additional needs not attending an setting and their parent/carer to attend.

The groups provide a gentle introduction to social interaction with peers, routines (e.g. snack, group time) and different play experiences.
