Weekly Newsletter – 8th May 2026

A message from Mrs Farren...

We would like to remind you that the year 6 pupils will be sitting SATs examinations next week. This is an important time for our pupils, and we are very proud of the effort they have put into their preparation. The children are all very well prepared and we aim to limit any stress or disruption this week.

To ensure that the exams run smoothly and fairly for all children, it is essential that pupils arrive at school on time each day. Late arrivals can be disruptive and may disadvantage other pupils.

The tests cannot begin until all year 6 pupils have arrived. We will also need to limit movement around the school whilst the exams are in process. It is therefore important that all pupils, irrespective of the year group, arrive on time.

We kindly ask for your support in making sure your child is punctual throughout the week. Arriving promptly will help create a calm and focused environment for everyone.

With thanks
Mrs Farren and Team Norton

Class News – 8th May 2026

This week, **Little Learners** have been busy exploring shapes in fun and creative ways. They enjoyed using a variety of materials, including sticking and play dough.

The children also used their creativity to draw maps, thoughtfully adding details of familiar local places. On Wednesday afternoon we took part in a fire alarm practice, where the children listened carefully and followed instructions brilliantly, helping them to understand how to stay safe in case of an emergency.

Reminder: please send your child in with spare clothes and a sun hat as the weather is warmer.

In **Reception** Class, the children have been exploring toys old and new as part of their UTW History learning. They had lots of fun looking at old toys and comparing them with the toys we play with today. The children especially enjoyed bringing in their own toys to share with the class and talking about why they are special to them. What was particularly lovely was that the children remembered independently to bring their toys in after it was only mentioned we would bring them in next week — fantastic listening and engagement from everyone! We are so proud of how confidently they shared their ideas and listened carefully to each other during our discussions.

This week in Science the **Year 1** children have been learning about garden and wild plants. They did a great job at naming different types and spotting them outside.

In **Year 2** this week we have learnt how to add the suffix 'ed' and 'ing' to verbs in order to change their tense. We have counted money in pounds in Maths and explained our workings, making links to counting money in pence.

This week in **Year 3**, we have been learning about Jazz music. We practised playing "Oh When the Saints" on the glockenspiel and used a sheet of notes to help us play the correct pitches. In computing, we have been doing lots of work using Scratch. We created programs to make a sprite move around a maze, which helped us develop our coding and problem-solving skills.

Payment reminder: Y3 trip payment is on parentpay

In **Year 4** this week we have started our new unit in English focussing around the book 'Our Tower' by Joseph Coelho. In science, we started learning about the water cycle and drew a diagram with the key vocabulary. In history, we learnt about Hadrian's Wall and went on a fact hunt.

This week, within maths, **Year 5** have looked into adding and subtracting decimals using a formal written method. They have worked accurately with the values given to them and have then applied this understanding to problem solving questions involving different units of measure.

Payment reminder: Y5 trip payment is on parentpay

This week in **Year 6**, apart from SATs preparation, we have taken a look at the end of the Roman era of Britain as well as looking at how blood is oxygenated. For SATs week next week, please ensure your children are in on time.

Payment reminder: Y6 leavers service and bikeability are on parentpay

Important Information Pages

Hi everyone!

Just a quick reminder to keep an eye on our Important Information Pages. These pages include everything you need to know about what's happening in school — from deadlines and updates to details about companies we work with, like School Trends, catering and music lessons.

Things can change week to week, so it's worth checking back regularly to stay up to date. Thanks for keeping in the loop!

TRIPS AND ACTIVITIES

Supporting Trips and Enrichment Activities at Norton

At Norton, we feel incredibly fortunate to be able to organise a wide range of trips, workshops and activities that enhance your children's learning. These experiences provide valuable knowledge, broaden horizons and create lasting memories during their time at our school.

In order to offer these opportunities, we do ask families for financial contributions. As these contributions are voluntary, we cannot demand payment. However, if we do not receive sufficient contributions to cover the cost of a trip or activity, we will unfortunately have no choice but to cancel it moving forward.

The cost of coaches, entrance fees, and external providers visiting school continues to rise. Regrettably, the school budget is not able to absorb these increasing costs. We are extremely grateful to our PTA for the support they provide; however, they are not able to fully fund every activity we organise. This is why parental contributions remain essential.

We are mindful of the financial pressures on families and carefully limit the number of trips and activities across the year to avoid frequent requests for contributions. Our aim is always to provide enriching experiences without placing unnecessary burden on parents. However, we would much rather continue offering these opportunities than cancel them altogether.

For example, for the Diwali workshops that took place in November, we received only 56% of the total. This meant the school had to cover the remaining £613.50.

All trips and activities are available on ParentPay, and if you are in a position to do so, you are still able to contribute towards any events that have taken place earlier this academic year. We can accept cash, cheques or you can pay through the parentpay app or at a parentpay paypoint (if you would like details of a paypoint please ask the office)

We are truly grateful for your continued support in helping us provide these valuable experiences for your children. Without sufficient contributions, we will regrettably need to begin cancelling future trips and activities. If you are unable to pay for a trip/activity please call Mrs Farren as we are here to support you.

Thank you for your understanding and ongoing support.

Dear Parents / Carers

Re: Y3 Cotswold Farm Park Trip

On Wednesday 20th May 2026, Year 3 will be visiting Cotswold Farm Park for an exciting school trip. This visit supports our current English and Science topics and will provide the children with a valuable hands-on learning experience. Throughout the day, the children will take part in a range of engaging activities, including a workshop led by a member of staff who works closely with the animals. During this session, they will learn more about the animals and their care. There will also be an opportunity for the children to handle some of the animals.

We will leave school at 9am and return by home time at 3:15pm. Children will need a packed lunch, water bottle, suitable footwear and coat (we will be outside for the majority of the day).

The cost of this trip is £24 per pupil. Although this is a voluntary contribution, we rely on parental payments to cover the full cost of the visit. Unfortunately, if we do not receive sufficient contributions, we may have to cancel the trip. This year the school has not been receiving sufficient funds to pay for trips.

Payment is now available on ParentPay and can be made via the app; alternatively, cash or cheques can be sent to the school office in a clearly named envelope. Please contact Mrs Farren if you are unable to contribute to this trip, as we are here to support you.

To help reduce the amount of paper we use in school, we kindly ask that you do the following instead of returning printed reply slips:

- Payment received on ParentPay can be taken as consent as you have to tick a box to get to the payment window. Please send in your voluntary contribution in a clearly named envelope (cash or cheque), or pay using ParentPay.
- Comment on the pinned post on your ClassDojo page, or let your child's teacher or the office know in person so they can mark this on the class list.

Yours sincerely

Dear Parents / Carers

Re: Y5 Skillzone class trip

On Tuesday 2nd June 2026, Year 5 will be attending an exciting workshop at 'Skillzone' in Gloucester. Skillzone is Gloucestershire's life-size safety village where learning to stay safe is never dull. They provide safety education and trips for schools and we will be experiencing a couple of different zones whilst there.

We will leave school at 12:15pm and return by home time at 3:15pm. The children will need to bring a packed lunch to school which will be eaten before we leave.

The cost of this trip is £11 per pupil. Although this is a voluntary contribution, we rely on parental payments to cover the full cost of the visit. Unfortunately, if we do not receive sufficient contributions, we may have to cancel the trip. This year the school has not been receiving sufficient funds to pay for trips.

Payment is now available on ParentPay and can be made via the app; alternatively, cash or cheques can be sent to the school office in a clearly named envelope. Please contact Mrs Farren if you are unable to contribute to this trip, as we are here to support you.

Dear Parents / Carers

Re: Y6 cathedral Leavers service

On Tuesday 9th June 2026, Year 6 will be attending the annual leavers services held at Gloucester cathedral. These services are a wonderful opportunity to celebrate, as a Diocesan family, the time that the children have spent in primary school and an opportunity to look forward together to their next exciting chapter.

We will leave school at 12:45pm and return by home time at 3:15pm. The children will be moved to first sitting for lunch on this day so they are still able to have school dinners if they wish.

The cost of this trip is £8 per pupil. Although this is a voluntary contribution, we rely on parental payments to cover the full cost of the visit.

Payment is now available on ParentPay and can be made via the app; alternatively, cash or cheques can be sent to the school office in a clearly named envelope. Please contact Mrs Farren if you are unable to contribute to this trip, as we are here to support you.

FILM CHALLENGE

We're taking a break from sports challenges this week... to celebrate David Attenborough's 100th birthday!

We challenge you to find your inner Attenborough and create your own wildlife film this weekend!

Can you work with your family/friends to create a BBC worthy mini film of wildlife in your garden/local area?

You must:

- ◇ Dress the part!
- ◇ Narrate in your best David Attenborough voice!
- ◇ Film outdoors... *we don't catch David Attenborough staring at a screen, he's on them!*
- ◇ Email your film to admin@norton.gloucs.sch.uk - we might even have a 'movie' afternoon if we get enough entries!

We can't wait to watch your incredible creations...

Ideas if you're really stuck for inspiration:

- * Find a colony of ants and film them going about their daily jobs
- * Follow a bee on their journey around your garden
- * Film your family pet on an adventure outside

Healthy recipe of the week...

We found some fun pitta bread inspired recipes which would be a great alternative to sandwiches... if you're bored of the same thing in your lunchbox, why not try one of these instead:

<https://www.superhealthykids.com/25-best-pita-sandwiches-for-kids/>

Which is your favourite?

Are you converted to pittas over sandwiches or will you keep your lunchboxes the same...

Just by taking part you'll be supporting 2 fantastic local charities that help support children facing childhood cancer, life-limiting and life-threatening conditions.

Childhood cancer is one of the most common causes of death in children in the UK. Every year, just over 4,000 children and young adults receive this life-changing diagnosis.

The Grace Kelly Childhood Cancer Trust is working hard to raise awareness of childhood cancer signs and symptoms. We produce educational resources for parents and clinicians, provide support to families and fund research into rare cancers of childhood

James Hopkins Trust believe that every child deserves to experience joy, laughter and love, regardless of their complex medical needs, diagnosis or condition.

For over 30 years, we have been dedicated to providing unwavering support to children in Gloucestershire who are life-limited or life-threatened, empowering them to live life to the fullest and make magic memories.
