A message from Mrs Farren...

There is so much to look forward to at Norton next week, with wonderful opportunities for our children to sing, perform and discover the magic of storytelling.

We are delighted to welcome iSingPOP, an exciting music project that brings schools, churches and communities together through singing. The children will learn lively, catchy songs based on Christian values, sharing the joy of music as they rehearse and prepare to perform together.

On Thursday, there will be performances at 2pm and 4pm, and we warmly invite parents, families and members of our community to join us. These promise to be joyful occasions, giving our children the opportunity to share their learning and celebrate their achievements with you.

Our children will also have the opportunity to see authors live at the Cheltenham Literature Festival. Hearing from the people behind the books is a wonderful way to bring reading to life, spark curiosity and inspire young imaginations. Who knows? It may even encourage some of our pupils to become the authors of the future!

At Norton, we believe that childhood should be full of opportunities to explore, create and experience something new. These experiences enrich learning, help children develop confidence and give them memories to treasure. They reflect our commitment to enhancing the life experiences of our pupils and helping every child to belong, thrive and achieve.

What an exciting week ahead for all our children—we cannot wait to share it with you!

Have a lovely weekend,
Mrs Farren and Team Norton

Class News - 9th October 2026

This week in **Little Learners** we have continued to explore numbers through rhyme! We have enjoyed singing and acting out our rhyme of the week, 'Five Little Speckled Frogs'. We have also been supporting children to develop and extend their vocabulary through exploring sensory activities. We have got very messy exploring cornflour, gloop and custard powder this week! Outside we have been busy making dens, and creating our own obstacle courses using giant chalks.

This week, **Reception** have been exploring self-portraits. We looked carefully at ourselves in mirrors and talked about our different facial features, including our eyes, noses, mouths and hair. The children then used what they noticed to create their own self-portraits. We also practised counting and recognising quantity by counting how many eyes, noses, ears and mouths we have. We have enjoyed celebrating what makes each of us unique and special!

In **Year 1**, we have looked at maps in Geography. We have used everyday objects to create a 'Messy Map' of the classroom. In English we have written descriptions about Old Bear using adjectives. In Science we have been using a thermometer to record temperatures.

In Science, **Year 2** have been exploring woodland habitats and discovering why they are such wonderful places for living things! Using their own knowledge and ideas, the children drew and labelled things they might find in a woodland habitat, thinking carefully about why it is a suitable place for different plants and animals to live. They showed great curiosity as they considered how trees, leaves, logs and other features provide food, shelter and protection for woodland creatures. We have been so impressed with their thoughtful ideas and growing understanding of how living things depend on their habitats!

This term in Geography, **Year 3** have been learning all about volcanoes! We have explored why volcanoes form and where they are found around the world. The children have learned that most volcanoes are located along the boundaries of tectonic plates, where the Earth's plates move and interact with one another. We have also looked at maps to identify areas with lots of volcanic activity and discussed how volcanoes can change the landscape.

The children have enjoyed developing their geographical knowledge and using new vocabulary to explain why and where volcanoes occur.

In **Year 4** this week we have started addition and subtraction in maths, looking at the place value of digits. In PE, we have continued practising our routine in gymnastics, focussing on the key steps to body management. In science, we learnt about the different types of teeth we have.

This week, **Year 5**, have completed a comparison of Innsbruck, Austria and our local area. We studied the differences and similarities involving population, vegetation, leisure, climate and other human and physical geographical features.

Year 6 have continued their great learning this week, showing enthusiasm and focus across the curriculum. A particular highlight was RE, where we explored famous scientists who are also Christians and discussed how science and faith can work alongside one another. Another positive week in Year 6!

Dear Parents / Carers

Re: Westonbirt Arboretum –YEAR 1 & YEAR 2

On Wednesday 5th November 2026, Year 1&2 will be visiting Westonbirt Arboretum for an exciting school trip. This visit supports our current Science topics and will provide the children with a valuable hands-on learning experience. Throughout the day, the children will take part in a range of engaging activities, including a workshop led by a member of staff who works at the arboretum. During this session, Year 1 will learn about the weather and seasons and Year 2 will learn about microhabitats (minibeasts).

We will leave school at 8.45am and return at 3:30pm. Children will need a coat, water bottle, snack and lunch box in a rucksack they can carry themselves. They must be in school uniform, but trainers are permitted for the day. Due to leaving early, we are asking for all children to arrive at school for 8:30 to ensure we are registered and have been to the toilet before getting on the coach. For this session only, any siblings not on the trip will be able to attend breakfast club for free from 8:30-8:40 when the gates open for the rest of school.

The cost of this trip is £13.50 per pupil. Although this is a voluntary contribution, we rely on parental payments to cover the full cost of the visit. Unfortunately, if we do not receive sufficient contributions, we may have to cancel the trip. Over previous years the school has not been receiving sufficient funds to pay for trips. Payment is now available on ParentPay and can be made via the app; alternatively, cash or cheques can be sent to the school office in a clearly named envelope. Please contact Mrs Farren if you are unable to contribute to this trip, as we are here to support you.

To help reduce the amount of paper we use in school, we kindly ask that you do the following instead of returning printed reply slips:

- Payment received on ParentPay can be taken as consent as you have to tick a box to get to the payment window. Please send in your voluntary contribution in a clearly named envelope (cash or cheque), or pay using ParentPay.
- Comment on the pinned post on your ClassDojo page, or let your child's teacher or the office know in person so they can mark this on the class list.

Dear Parents and Carers,

We are delighted to share that we have once again invited the Education Group to deliver two exciting cultural workshops for the children this November:

✦ Diya Painting Workshop – Tuesday 3rd November 2026

✦ Indian Dance Workshop – Tuesday 4th November 2026

These activities link directly with our Religious and Worldviews teaching across the school and provide a wonderful opportunity for pupils to explore and celebrate different cultures. We are very passionate about giving our children these enriching experiences.

The children took part in these workshops last year and thoroughly enjoyed them, which is why we are so pleased to bring them back again this year.

Unfortunately, we are unable to fund the workshops through school this year, so we are asking for a voluntary contribution of £9.50 per child. While this contribution is voluntary, we will be unable to run the workshops without sufficient funds, so we are very grateful for your support.

Please make payment by sending in cash/cheque in a named envelope or paying through parentpay.

Thank you for helping us to provide such memorable learning opportunities for our pupils.

Many thanks
Team Norton

FAQs:

Is this for the whole school?

Yes! Both the 2pm and 4pm concerts are for all school children.

Which concert can I attend?

We'd love as many parents/carers and members of our local community as possible to come and enjoy watching our talented children perform! To help us make space for everyone, we ask that families choose just one of the two concerts to attend and let their teacher know which one via a dojo post going up next week.

Can younger siblings watch?

Absolutely! The more the merrier! It's going to be a really upbeat and joyful celebration, and joining in with the dance moves is very much encouraged!

Will my child stay in school for the 4pm concert?

Yes, please! We'll send out the finer details closer to the time, but we're asking as many children as possible to stay on for the 4pm concert. Please send your child in with an extra snack, and we'll have some downtime together before getting ready for the second concert, which starts at 4pm, and will finish no later than 5pm.

NORTON'S BRAIN BOOST

This week we are continuing with our table chats.

We've come up with some suggestions from members of staff of ideas you could use to start a conversation, friendly debate or fun challenge over the dinner table...

> Which one will you pick? <

2. WOULD YOU RATHER... BUT EXPLAIN!

Would you rather be able to fly or breathe underwater?

The rule: you must explain your reasoning.

OR

6. WHAT WOULD YOU DO?

"You're the mayor and your town has £1 million to spend. What do you do with it?"

Everyone has to defend their decision.

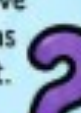

7. MYSTERY OBJECT

Choose an object in the room and describe it without saying its name. Can everyone work out what it is?

8. THE FIVE-QUESTION GAME

Someone thinks of a person, place, animal, or object. Everyone gets five yes/no questions to figure it out.

11. IMAGINE IF...

- "What if humans had tails?"
- "What if gravity stopped working for 10 seconds?"
- "What if nobody could use money?"

Everyone predicts what would happen.

NORTON'S BRAIN BOOST

FUN FOOD CHALLENGE!

Pick your favourite fruit or vegetable and create a **whole meal** around it!

Can you make something **savoury** and something **sweet** to make your family a full meal?

Here are some examples...

Vegetable/Fruit	Type	Recipe
CARROT	SAVOURY	Carrot and red lentil curry with rice
	SWEET	Carrot cake with cream cheese frosting
STRAWBERRY	SAVOURY	Strawberry and spinach salad with feta and nuts
	SWEET	Strawberry mousse with fresh strawberries
TOMATO	SAVOURY	Tomato and basil pasta with garlic bread
	SWEET	Tomato and strawberry crumble

Be creative! You could try...

- a soup • pizza • a stir-fry • a smoothie • a pie • a cake
- a muffin • a pancake • ice cream • or invent your own!

Relating to our brain boost challenge... this would be a great family activity to do together before you use the conversation starter!

A vibrant Halloween-themed poster for a 'Halloween Fete' event. The background features a large full moon, silhouettes of bats, and several glowing jack-o'-lanterns. The event title 'HALLOWEEN FETE' is written in large, stylized, orange and yellow letters with a black outline. Below the title, a purple banner reads 'SUPPORTING GL3 COMMUNITY HUB'. Making healthy school lunches easy!

Helping children make healthier choices at school doesn't have to be complicated. A few simple changes can build healthy habits and help your children stay energised and ready to learn throughout the day. Here's a few tips to help you get started:

Tip 1:

Pack some healthy snacks

Including a healthy snack in your child's lunchbox, like a preferred fruit or plain popcorn, can help them stay energised throughout the school day and make nutritious choices easier.

Tip 2:

Know what options are available

Take a look at your child's school lunch menu together and talk about the healthier choices available. Exploring the options in advance can encourage children to try new foods and make balanced choices at lunchtime.

Tip 3:

Talk about healthy choices

School lunchtimes can be a great time to encourage independence and positive decision-making. Agree simple goals together and celebrate healthy choices throughout the week.
