A Little bit about us

Norton Little Learners provides a safe, stimulating and fun environment for children from 2 years, 9 months until 4 years old. With a real passion for Early Years, the staff share the same aim of wanting the children to build lots of happy, positive memories whilst building the love of learning. Through a mixture of child initiated and adult planned activities, we ensure the children are well supported to develop and reach their goals.

The setting provides a smooth transition for those going into the reception class; our reception teacher often joins us for story time, we join in with the whole school assemblies, have older children read to us and we go to Open the Book assemblies. We also join the infants for some activities such as play time Welly Wednesday.

In Little Learners we operate a key person system where each child is allocated a staff member to oversee the journals and assessments. We pride ourselves on the close relationships we build with the families and understand the importance of working together to best support the child's development. Each child has a learning journey; this is shared with parents/carers regularly. Regular assessments are carried out within the setting and reports are shared with parents at parents evenings three times a year (Nov, Feb and June). We will invite you to join us at open days and occasions throughout the year to share what we do.

Our environment

Our current room is within the school and we make the most of all the space. We have free-flow into an outside space which is connected to the playground. Being within the school means we see school staff and children, giving us a strong connection with everyone else and helping with transitions if your child was to attend Norton Primary School.

The children love exploring all the toys, and we change the resources we have out each week according to our weekly theme and the children's interest.

Information...

Activities are all play based following the children's interests and planned to incorporate the Early Years Foundation Stage Framework. Staff have regular planning meetings and will include the children's ideas and feedback from home.

Meet the staff.....

Leah Powell - Pre-School Lead

I started working in early years when my son was little as a childminders assistant and soon realised that I loved working with young children. From there I went on to become a childminder myself but still felt that there was so much to learn so I enrolled in university as a mature student to do a foundation degree in early childhood studies which I am currently completing. I have also managed a committee run playgroup in Abbeydale which has taught me a lot about how to work with parents and children together. I am very excited about being a part of the Little Learners at Norton School as I will love seeing how the children develop past the preschool years.

In my spare time I enjoy spending time with my own two children, going on holiday and trying to relax when I do get a spare minute.

Fionn Humphris - Early Years Educator

Hello, my name is Fionn (but you can call me Fil!) I have just completed my HLTA (Higher Level Teaching Assistant) and I am currently working in Little Learners every morning, and supporting a child 1:1 in reception every afternoon. I have worked in most classes throughout the school, but my favourite is definitely early years. Reception and pre-school are so much fun, always diverse and each day is different this is definitely where I feel most at home! Outside of school I enjoy spending time with friends and family, occasionally I will drive a digger or dumper for my dad! I love to sing and play my guitar and I enjoy exploring the countryside. You may also find me curled up with a good book and some white chocolate!!

Laura Emmerson - Early Years Educator

I started working as a volunteer teaching assistant in September 2019, while completing my level 2 STLS course and got signed off this May. I was fortunate enough to be offered a permanent position with team Norton in October and have loved every second of it! I was given the opportunity to work in Little Learners at the beginning of this year and have thoroughly enjoyed seeing the children use their imagination and initiative to problem solve. I can't wait for September, when I'll be working in Little Learners three afternoons a week and be part of their journey for school readiness. In my spare time I love to be with my own two children (there's never a dull moment!), yoga and rebounding classes. I have also just started to learn to play the piano.

Photos of our setting...

We love our room with the free flow, we spend a lot of time outside and love exploring the field too. We even have a tent!

Whatever the activity or experience we always get stuck in! We love having visitors and each day is totally different to the next.

Terms and Conditions for the Before and After School Clubs

In order that we can provide a safe and well organised club there are a few important points that **MUST** be adhered to:

- At the end of the prior term you must inform the school of the sessions your child will be attending for the following term by completing a booking form (download from the website or collect from the school office).

- A late fee of £5 will be charged from either 5pm or 5:30pm (depending on what you have booked) for each 15 minutes thereafter. ***If you are late on 3 occasions within a school year, the after school club will no longer be available for your child/ren for the remainder of that year.***
- Children attending a school run club will be taken to the After School Club when their club finishes. The whole session cost still applies.
- Registration of children will be similar to that of the school register - if your child is unable to attend, we must know as soon as possible as safety is of utmost importance.
