

A word from Mrs Farren...

We have a different and very exciting week next week; Well-being week. During the week your child will visit Skillzone where they will learn skills to help them keep safe in life (road safety, fire safety, internet safety and more!)

They will also be trying new sports, learning about healthy eating and learning about how to keep a happy and healthy mind. I would like to thank all the parents who are contributing to this week.

Have a wonderful weekend
