

A note from Mrs Farren....

Whilst it is a great shame that parents were unable to attend sports day today, we are very much looking forward to sharing the presentation of the event with you via Dojo. The event was brilliantly organised and run by Mr Spencer and Miss Neate and I would like to thank them for their skill and hard work. Most primary schools have limited sports expertise and Norton is outstanding in this area.

It must seem very confusing for you that national sporting events are going ahead but we have been advised against parents attending events face to face in groups. However, it is with young people and in schools that cases are rising exponentially. Last week 9% of all pupils in the County were out of school due to self-isolation. We have not had a positive case in school. We are trying to carry on as normal until the end of term however, Norton has a number of staff members who have been told to self-isolate because of contacts outside of the setting: **NON** of these teachers are ill or have Corona –virus. We just need to follow regulations.

We have managed not to close any bubbles so far and we hope this can continue until the end of term. Team Norton (and some incredible parents) have stepped up and changed their plans. The last thing we want to do is close a bubble as this would have such an impact on the children and you as parents.

Thank you for all of your support during this difficult year.
