

Mrs Farren says...

It has been a truly fantastic and busy half term.

The children have achieved so much in just 7 weeks: they have made incredible progress and have come to school with such positivity. Together, we (teachers, parents, governors and FoNS) have all worked hard to strengthen our Norton family under unprecedented circumstances. I have the best job in the world and the school community makes me smile every day.

We hope you have a wonderful half term and enjoy this valuable time with your children. They are, after all, the very best children in the world.
