

A note from Mrs Farren....

Unfortunately, we have had 4 staff members off with COVID this week. The current long isolation period has made managing teaching tricky and we had to switch to remote learning for our Reception class for 2 days. We very much hope to return to some kind of normality next week but please bear with us as we still have 3 staff members in their isolation period.

On a brighter note, we have had this message from Xander's dad:
'Xander and I will be spending a cold, uncomfortable night sleeping on the stone floor in the cloisters of the Cathedral to raise funds for the homeless.

Please help us support the homeless by donating to our page. My son and I will be sleeping in a very cold and uncomfortable environment but at least we will be safe and can go back to our nice warm beds; many can't and we aim to try and help them. This is my sons first attempt at charitable work; so please support us so he can learn the value of giving!!

Thanks in advance for your support

Web site if you wish to see where we'll be sleeping

<https://www.cloisterchallenge.co.uk/>

Thanks in advance,
Matt and Xander

Please support them if you can.

Many thanks for supporting FoNS by wearing red today. They raised
£115.35
