

## A word from Mrs Farren...

As a school team, we have updated our Vision to reflect what we want for our Norton children. This vision helps guide our children throughout their primary education.

### **Vision:**

**Hope:** (*strive*) that our children lead happy and fulfilled lives through seeing the best in others and in themselves; they are resilient, forward looking and appreciative

**Wisdom:** (*Think*) that our children have the essential knowledge, skills and behaviours to guarantee that they thrive in modern Britain; the wisdom to preserve the beauty of our planet; the wisdom to make informed, positive decisions

**Community:** (*Act*) our children celebrate differences and value everyone in our Norton family and wider community; they celebrate belonging to a local, national and international community as they respect difference and expect inclusion

**Respect:** (*Respect*) our children know that everyone has the right to be themselves. Norton is a place where everyone can feel safe, be happy and learn. Everyone at our school is equal and acts with respect and kindness towards each other. Our children respect themselves and are proud to be part of an inclusive school.
