

A note from Mrs Farren....

Our School Council is made up of 4 committees (**Strive Think Act Respect**). Their theme this year is 'turning vision into action.'

Our School Vision:

Strive: that our children lead happy and fulfilled lives through seeing the best in others and in themselves; they are resilient, forward looking and appreciative

Think: that our children have the essential knowledge, skills and behaviours to guarantee that they thrive in modern Britain; the wisdom to preserve the beauty of our planet; the wisdom to make informed, positive decisions

Act: that our children celebrate differences and value everyone in our Norton family and wider community; they celebrate belonging to a local, national and international community and they expect inclusion

Respect: our children know that everyone has the right to be themselves. Norton is a place where everyone can feel safe, be happy and learn. Everyone at our school is equal and acts with respect and kindness towards each other. Our children respect themselves and are proud to be part of an inclusive school.

Head teacher's Challenge: I am incredibly proud of School Council's actions so far this year. I am also incredibly proud of your actions supporting our Ukraine appeal. With this in mind, I would like your/your child's thoughts: **How else can we turn our school vision into actions?** Please could you let me know your suggestions via email or letter- I am excited to hear your thoughts; together we can make a difference to the lives of our children and the lives of others less fortunate. Any ideas that we can action will be celebrated in assembly.

Have a wonderful weekend

Mrs Farren and Team Norton
