

A word from Mrs Farren...

Parking Clarity

As you should know, the safety of our children is my priority; it always has been and always will be.

Parking is always an issue for schools; we are fortunate to have a car park next to the school.

Remember that the zig-zag line in front of the school is a no parking or waiting area, always use the car park even if you are late.

The area at the back of the village hall is reserved for staff parking only. This avoids having vehicles moving in that area at busy times.

To be clear: it is everyone's responsibility to park and move safely around the car park at all times, especially when there are lots of children around. We all need to keep our children safe.

Have a great weekend, Mrs Farren and Team Norton.

Please remember to send in the '**Parental Consent Form for Off Site Visits and Extra Curricula Activities**' if you have not already done so.

This form is renewed at the beginning of each school year.

Teacher led After School Clubs

After school clubs start next week.

Some clubs are already full and you will have been contacted if your child does not have a place.
