Single Consent Form

Dear Parent/Carer,

As a school we hold (and use) **Personal Information (PI)** for you and your child. We use this PI for a range of different purposes associated with the education of your child and ensuring effective communication with you and our key stakeholders. Information regarding the specific PI that we hold, and how it is used, is detailed in the Privacy Notices issued alongside this consent form.

The majority of ways in which we use your / your child's PI are linked to the core functions of an educational establishment and the school's requirement to carry out tasks in the public interest. We also, however, access / use PI for additional purposes not covered by these core functions and for these elements we require your specific consent. Although these uses of PI may not be statutory we do consider them to be key practices and systems that enable us to ensure highly effective home / school communication and provide the best possible educational experiences for your child.

Although you may have previously given consent for these uses of PI we are now required to regain consent under the new General Data Protection Regulation (GDPR).

Please complete and return this consent by return. Please note: we cannot use your PI for any of the purposes detailed within this form without your specific consent. For example, if you do not give consent for the texting service your PI will be deleted from the database and you will no longer receive any texts from school.
