ADMISSIONS POLICY

INTRODUCTION:

The governing body of Norton Church of England Primary School applies the regulations on admissions fairly and equally to all those who wish to attend this school. The school admissions code (Department for Education as of February 2012) ensures that the admission practices and criteria of authorities are fair, clear and objective. This code applies to admissions for all maintained schools in England. This policy conforms to the regulations that are set out in that Code.

AIMS AND OBJECTIVES:

We are an inclusive school that welcomes children from all backgrounds and abilities. The level of ability of a child or any special needs that he/she may have plays no part in the admissions policy of this school.

HOW PARENTS CAN APPLY FOR THEIR CHILD TO BE ADMITTED TO OUR SCHOOL:

In this authority, children enter school in the academic year they become five years old. There is one admissions date per year, early September (ie. at the start of the school year). Therefore, parents who would like their child to be admitted to this school during the year their child is five years old should ensure that they complete the necessary preference form by the stated date.

The school determines the admissions arrangements in agreement with the LA. The LA is therefore the Admissions Authority for our school. The regulations for entry to each school, where the Admissions Authority is the LA, are published each year by the LA. Parents can receive a copy of these regulations directly from the LA.

The LA publishes a composite admissions prospectus each year, which gives information about how parents can apply for a place in the school of their choice. Parents have a right to express a preference for the school of their choice and they should do so on the application form. Expressing a preference does not, in itself, guarantee a place at this school. Application forms can be obtained online from the Education Department of the LA and should be completed by the date stipulated on the forms. The LA notifies parents about the school place as soon as all the applications have been considered.

IN –YEAR ADMISSIONS

Any applications for a school place from reception (after the start of the academic year that admission is sought) to Year 6 will be treated in accordance with the in-year admission scheme.

Legislation demands that parents apply for a school place in writing using the In Year Application form (see Appendix 1) and that schools send a written decision. The decision will be made with regard to all the authority's fair access protocols. If the school cannot offer a place, the parent and the Council In Year Team must receive a copy of both the application form and refusal letter (a telephone refusal is not acceptable), and the parent must be informed of their right of appeal, even where the school is full.

The only restriction we place on entry is that of number. If the number of children applying for entry exceeds the places available we enforce the procedure set out in local authority guidance in order to determine whether a child is accepted or not. It is our wish to allow parents the right to have a place at the school of their choice. However, this may not always be possible, if there is excess demand on the school places available.
