

A note from Mrs Farren....

It's been another wonderfully busy week at Norton. Thank you to all of you who were able to attend parent/teacher meetings. We hope you found these informative.

This week, we asked you to let us know your preferred method of communication from the school. Most of you like Dojo or text messages. These are preferred as they are accessible on mobile devices. Please also check the website for weekly and more general information.

The children at Norton really are wonderful. We have had a number of visitors to the school this week and they have all commented on the happy, calm and positive working atmosphere. All of Team Norton are incredibly proud of Norton children!

Miss Bussey Says...We wanted to share some of the positive comments made by visitors to our school this week,

"Your children and staff are so kind and happy. It feels like a family here.

"We couldn't get over how beautifully the children were engaged in learning and how confident and polite they were. They were so happy interacting with staff and there was just such a lovely feel to the school. They made my little boy feel so welcome and the year 6 child that gave him a high 5 completely made his day! They were all an absolute credit to themselves and the school."

We would like to thank everyone for their donations and support of **FONS**, we have recently received a donation of 50 brand new hard-back dictionaries and thesaurus! Our children are already putting them to good use - thank you.
