

A note from Mrs Farren....

Children In Need is always a very humbling day for me. So many children go through so much and how wonderful that the country can unite in support. Thank you for your donations today, we raised £191.25

Miss Bussey, Mrs Bluck and myself attended the village hall committee meeting last night. The materials for the repair works have been ordered and, with the practical help of the local community, the hall should be back in use for the school after the Christmas holidays! Thank you to the governors, staff and parents who have supported this and enabled this to happen.

Have a wonderful weekend

Mrs Farren and Team Norton

PGL 2023 (Y6)

Option 1 payment plan -Remember to keep up your monthly payments.

Option 2 payment plan—interim payment is now due.
Thank you
