

## A word from Mrs Farren...

As you know, we had to close school on Monday as we had no water in school. A burst pipe left thousands of homes and around 18 schools without water. This was not anticipated but we do hope that the situation did not cause too much inconvenience.

During the past few months we have had a therapist visiting school. The therapist visits many schools across Gloucestershire. As she left yesterday, she asked to speak to me commenting that Norton was the best school she goes to and that she had never been to a school where the children were so polite, calm and friendly; she also commented on how brilliant the staff at the school are. I am so proud of all of the children and all of the Team.

Before and after school club would like to know if you have any old board games that they could have. Please send any games, which are in good condition, into school. Thank you!
