

A note from Mrs Farren....

It has been another fun week here at Norton Primary School. We would like to thank Friends of Norton School for arranging 'Break the Rules Day' today and continuing to raise money for our children despite the constraints of COVID. Today you raised £260.10 which will go towards enhancing our school playground; thank you.

In school, things are really getting back to normal and the children are working hard and making incredible progress. Hopefully, we will soon be able to welcome visitors and parents back into the school building and can start to open up sharing assemblies to the whole school community. We hold sharing assemblies for school children in school every Friday via zoom but we have really missed being together with parents to celebrate.

We hope you all enjoy this bank holiday weekend.

Mrs Farren and Team Norton

Break the Rules Day
Wow!
You raised £260.10
when you broke the
rules!!
