

Dear Parents,

Today is Children in Need. Whilst we are not able to fund raise as we normally would, we decided to dress in our pyjamas. A huge thanks to everyone who participated. Together we managed to raise a truly magnificent £261.22. This will make a difference at a time when it is needed the most.

We hope you are all managing during this second lockdown. We know how tricky the restrictions are when you have a young family and when you are not able to see friends and family. However, the restrictions are temporary and are there to keep us safe in the long run.

We hope you all have a great weekend

Mrs Farren
