

### A note from Mrs Farren....

Are you interested? National Schools Equestrian Association

A parent has kindly offered to support organising a team of Norton pupils for an NSEA competition. We aim to put a team together for competitions starting next academic year (September 2021). If your child has a pony and you are interested in joining a Norton team, please let the school know by June 7<sup>th</sup> (after half term).

Please email: [admin@norton.gloucs.sch.uk](mailto:admin@norton.gloucs.sch.uk) or phone 01452 730531.

We are in the planning stage of organising end of year activities. These include a year 6 performance, sports day, parent information sessions and leavers' activities. I have a meeting next week with 30 local primary schools to clarify how we can end the year as 'normally' as possible without compromising Covid-19 restrictions. I will keep you updated!

We hope you all have a great weekend- keep reading, chatting and playing with your wonderful children; time is the best gift you can give them

Mrs Farren and Team Norton.

#### Year 6—Bikeability Training

Remember to bring your bikes into school on Monday with a padlock and a helmet. You are welcome to padlock your bikes to the school fence but this will be at your own risk.

#### When sending money into school...

Please, please, please **always** put it into a named and sealed envelope and hand it to the class teacher at morning registration or put into the red post box in the office so that it does not get lost.

Thank you

Year 5  
Remember your swimming kits on Tuesday
