

### A note from Mrs Farren....

Dear Parents/Carers

We are incredibly fortunate to have a car park next to the school. This car park does not belong to the school and so we are unable to create new markings or put up signs.

Nearly every week I receive reports of dangerous parking, dangerous driving or general anti-social behaviour in the car park. I have contacted Highways and the police and we are doing what we can to ensure this area is as safe as possible. Please do your bit by parking in the designated parking spaces, driving slowly and showing respect to other drivers. All of this will help keep our wonderful children safe.

Miss Neate leaves Norton today to work in adult safeguarding. We will all miss her and wish her luck in her new exciting career.

Many of our activities are still restricted because of COVID. We very much hope to open up sharing assemblies to parents again in the next few weeks. This will depend on government guidance but we do all miss celebrating together.

Have a wonderful weekend
