

A note from Mrs Farren....

Updates

As the government have tightened restrictions in England, we need to be mindful of the impact of these on our school community. It is important that we keep people safe but at the same time enable our children to enjoy Christmas when so many of the usual joys were taken away last year. With this in mind, we are continuing with some events which have been risk assessed. The Infant Nativity (please wear a face mask and do not attend if you have symptoms) and carol service (outside, children only) are events we are looking forward to next week.

Car Park

As many of you know, the school does not own the car park. It is managed and run by the village hall committee. This means that we are unable to change markings or insert paths etc. Legally, children only become our responsibility when they pass through the gates into school. **However, Norton children are ALWAYS our children and we never stop caring.** It is really important that you park carefully, drive slowly and respect other car park users. This is not always the case. In addition, please make sure your child moves across the car park well away from moving vehicles. We are lucky to have a car park directly next to the school. Please help us to keep our amazing children safe.

Have a wonderful weekend
Mrs Farren and Team Norton
