

A word from Mrs Farren...

There has been so much to celebrate this year and I cannot thank my wonderful staff enough for their dedication and hard work; they have a genuine passion to make sure every child is happy and learning.

I am aware that you must be wondering what is happening with the Little Learners new build. This is being project managed by County. We met with county finance and planning this week who explained that the delay has been due to limited access to the land. We are doing everything we can to ensure this moves forward quickly and the situation has been a real rollercoaster. County have promised to send me a proposal by the end of term. I can only give you the information I have and with the building work, things have been changing on a weekly basis; frustrating! I will keep you informed. The money raised by Tesco for a garden area is crucial- we will just need to wait longer than we anticipated.

We are still lucky to provide small/ good sized classes. I have the privilege of working with other schools that, due to budget pressures, have classes of 37 with no teaching assistants. We have a strong and skilled staff which ensures good quality teaching for all.

Please know that my door is always open- I have never turned anyone away and I will always listen.
