

A word from Mrs Farren...

Welcome back! It has been an incredible first week and we have loved every second. What a joy it has been to welcome the children back to school; they really are the most well behaved, polite and wonderful children in the world.

In a few weeks you will be invited to class meetings with your child's class teacher. This will outline the learning for the year as well informing you of school priorities and procedures. It is a time for you to ask any general questions.

On Monday our new Reception children start. This is an incredibly important day for them and for their families. I know you will all make them feel welcome.

Thank you all for your support. This is going to be a great year!
